

ArtServe awards

Recognising artistic contributions to the life of the church

ArtServe produces high quality certificates for those who have given their time and talents to serve the church through the arts in any capacity, for example music, dance and drama, visual arts, or creative writing. Certificates are inscribed by our own calligrapher and cost £15.00 each.

Our awards can be for a special occasion, as a 'thank you' for organising a particular event, for someone who has used the arts to encourage others in their faith.

Awards can also be for long service: silver for 25 years and gold for at least 40 years of service. ArtServe awards were formerly known as 'long service awards', but increasingly we are aware that length of service is not the only criterion by which service to the church might be recognised.
